AN INTRODUCTION TO

Ravenna

# Ravenna Series

## Eye-Catching Functionality

The Ravenna series boldly contrasts materials and finishes to create a striking focal piece for any setting.

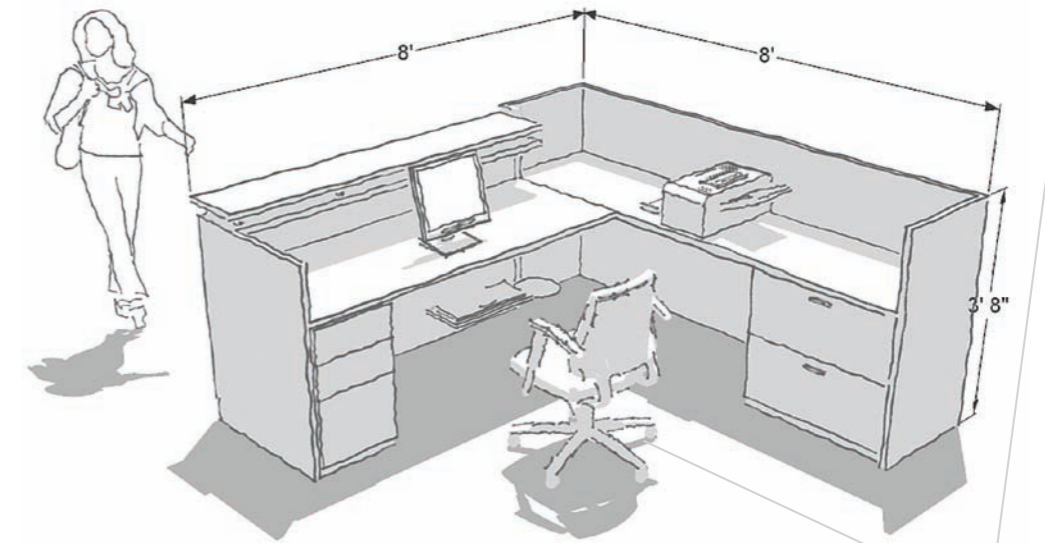

Ravenna features a visually dramatic split of color, yet remains well-balanced and refined in its design.

The interior provides a wide clean worksurface and large area for adding in drawers or accessories.

Arnold Reception Desks will help you choose the right coordinating colors and materials that are best suited to your tastes and work environment.

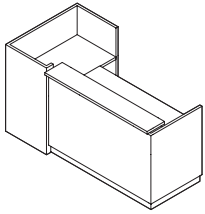

You will be able to see a vast array of sample wood swatches and discuss with us every finishing detail—from drawer pulls to edge style.
